

# HUNA:

## CREATING PROSPERITY AND WEALTH

DOES HOW YOU THINK ABOUT MONEY AFFECT HOW MUCH YOU HAVE?

Presented by Matthew B. James, MA, DCH

Whatever you think you are, you're more than that.

## WHY ATTEND THE HUNA: CREATING PROSPERITY AND WEALTH SEMINAR?

Using Huna to create prosperity and wealth requires that you view money as energy, always striving to maintain a constant flow in and out. What you give out to others will always come back to you. In Huna, money is an energetic resource. So if you have ever asked yourself: “Does how you think about money affect how much you have?” – The answer would be a resounding yes! When you change your current way of thinking, the universe will always provide you with what you need and want.

## WHY YOU SHOULD TAKE A TRAINING WITH MATTHEW B. JAMES AND THE EMPOWERMENT PARTNERSHIP?

We’ve been conducting Huna and Neuro Linguistic Programming (NLP) trainings since 1982. We’re one of the largest training organizations in the world and one of only a select few that specializes in the teachings of Huna, with the knowledge and Hawaiian lineage being passed down to Matthew B. James, MA, DCH and his family. While the fame of a trainer or organization doesn’t ensure quality, it can be an important indicator of the value provided. After all, it is a following of people that creates popularity. Year after year

we consistently receive the highest ratings on our evaluations. We have achieved this by presenting excellent trainings/seminars and producing effective trainers. After all, that’s what we’re all about.

**HUNA IS A HAWAIIAN WORD** that means “secret.” Huna was originally called Ho’omana. Ho’o means “to make” and mana means “life force energy” equivalent to Ki (as in Aikido), Chi (as in Tai Chi), or Shakti in the Sanskrit language. Taken together, the word Ho’omana means empowerment or to empower. Huna is about empowerment, about increasing your spirituality, energy, and metaphysical healing powers. It is the original art and science of healing and spiritual development of the Hawaiian people.

In Hawaii, the teachings of Huna were passed down orally for hundreds of generations. Many believe that at one time, there was just one teaching and that all people of the earth lived by that one teaching. And as time progressed, different peoples deviated from the teaching and created a wide variety of beliefs and doctrines available today.

Because of the remoteness of the Hawaiian islands, Huna stayed pure; more like the original teachings. It is because of this, that Huna is considered by many as the direct link to ancient wisdom. At one time it was outlawed and almost lost forever, but Huna is now available to all races and religions.

## IN HUNA: CREATING PROSPERITY AND WEALTH YOU WILL DISCOVER HOW TO:

- Attract money and abundance to you like a magnet
- View money as an energetic resource, always maintaining a constant flow in and out
- Recognize your limits and beliefs, which create ‘scarcity consciousness’
- Learn to eliminate these disempowering beliefs by using a set of self-empowerment tools
- Install and actualize new beliefs and habits

## HOW CAN I LEARN ALL THIS IN JUST TWO DAYS?

Huna: Creating Prosperity and Wealth is not the same as other presentations or seminars that you have taken in the past. Learning Huna is more about experiencing the knowledge, rather than learning the techniques. While you’ll do both at this seminar, it is important for you to realize that this is a very different event and you will do so much more than that.

## WHO SHOULD ATTEND?

A wide and varied range of people are drawn to Huna and take our Huna trainings. This weekend seminar is for everyone, including people just like you! Along the way you may even learn more about yourself and discover a whole new world around you.
