WHY ATTEND THE HUNA PROSPERITY WEEKEND: BECOME A MANIFESTATION MAGNET WITH MONEY, RELATIONSHIPS, AND HEALTH?

Using Huna to create prosperity and wealth means that you view money as energy, always striving to maintain a constant flow in and out. What you give to others will always come back to you. In Huna, money is an energetic resource. So, if you have ever asked yourself: "Does how you think about money affect how much you have?" - The answer would be a resounding YES! But there is more, these same ideas can be carried over to your relationships and health, allowing you to choose the area in your life that you would like to focus on the most. When you change your current way of thinking, the universe will always provide you with what you need and want. Huna is about empowerment, about increasing your spirituality, energy, and metaphysical healing powers.

MATTHEW B. JAMES AND THE EMPOWERMENT PARTNERSHIP

We've been empowering people since 1982 as one of the largest training organizations in the world and are of only a select few that specialize in the teachings of Huna, with the knowledge and Hawaiian lineage being passed down to Matthew B. James, MA, PhD, and his family. National trainers (many of who you may know from popular movies and other workshops) seek to learn from Matthew B. James, so he is truly a trainer-of-trainers. Come see why international leaders travel far and wide to learn Huna and why they apply

its secrets to their own curriculum offerings. Year after year we consistently receive the highest ratings on our evaluations. We have achieved this by presenting excellent trainings/seminars and producing effective trainers.

WHAT IS HUNA?

Huna is a modern or western label given to ancient systems. In ancient times these teachings were not called Huna, because Huna means secret. Since they were well known, they were obviously not a secret. We use the term Huna because it is widely recognized; however in ancient times, other labels were used.

Huna comes from ancient times; it is one of the original arts and sciences of healing and spiritual development. We believe that it may be as old as 35,000 years and it is a part of the original teachings of the peoples of the earth, that were centered here in Hawaii on a continent, which now, no longer exists. All that remains physically of that land are the mountain peaks of the island chain called Hawaii.

Huna was originally called Ho'omana. Ho'o means to make. Mana means life force, equivalent to Ki (as in Aikido), Chi (as in Tai Chi), or Shakti in the Sanskrit language. Taken together, the word Ho'omana means empowerment or to empower. The teachings of Huna that are humbly shared by Matthew B. James are different from most seminars available (even seminars in Huna). Pappa Bray (the son of Daddy Bray) gave Tad James permission to learn, practice, and teach the Huna of the Bray Family. This lineage is now entrusted to Tad's son Matthew B. James and therefore, it is more than a seminar, it is an introduction to a way of empowering yourself shared through an honored lineage.

MONEY IS AN ENERGETIC RESOURCE

INSTALL AND ACTUALIZE
NEW BELIEFS AND HABITS

WHO ATTENDS?

Various people are drawn to Huna. The range includes healthcare professionals, therapists, psychologists, business owners, managers, educators, athletes, and college students; in other words, people just like you. Along the way you will learn more about yourself and learn to trust your gut instincts when designing your career, relationships, and health goals.

IN THE HUNA PROSPERITY WEEKEND: BECOME A MANIFESTATION MAGNET WITH MONEY, RELATIONSHIPS, AND HEALTH YOU WILL DISCOVER HOW TO:

- Attract money and abundance to you like a magnet
- Create the kind of relationship that you have always wanted but could not quite achieve
- “Donate” excess weight and maintain your ideal state of health
- Eliminate dis-empowering beliefs by using self-empowerment tools
- Install and actualize new beliefs and habits

HOW CAN I LEARN ALL THIS IN JUST TWO DAYS?

The Huna Prosperity Weekend: Become a Manifestation Magnet with Money, Relationships, and Health is not the same as other presentations or seminars that you have taken in the past. Learning Huna is more about experiencing the knowledge rather than learning the techniques. While you’ll do both at this seminar, it is important for you to realize that this is a very different event and you will do so much more than that.
