MATTHEW B. JAMES AND THE EMPOWERMENT PARTNERSHIP

We've been empowering people since 1982. We're one of the largest training organizations in the world and are of only a select few that specializes in the teachings of Huna, with the knowledge and Hawaiian lineage being passed down to Matthew B. James, MA, PhD, and his family. National trainers [many of you may know from popular movies and other workshops] seek to learn from Matthew B. James, so he is truly a trainer-of-trainers. Come see why international leaders travel far and wide to learn Huna and why they apply its secrets to their own curriculum offerings. Year after year we consistently receive the highest ratings on our evaluations. We have achieved this by presenting excellent trainings/seminars and producing effective trainers.

WHAT IS HUNA?

Huna is a modern or western label given to an ancient system. In ancient times these teachings were not called Huna, because Huna means secret. Since they were well known, they were obviously not a

secret. We use the term Huna because it is widely recognized; however, in ancient times, other labels were used.

Huna comes from ancient times; it is one of the original arts and sciences of healing and spiritual development. We believe that it may be as old as 35,000 years and is a part of the original teachings of the peoples of the earth, that were centered here in Hawaii on a continent which now, no longer exists. All that remains physically of that land are the mountain peaks of the island chain called Hawaii.

Huna was originally called Ho'omana. Ho'o means to make. Mana means life force, equivalent to Ki (as in Aikido), Chi (as in Tai Chi), or Shakti in the Sanskrit language. Taken together the word Ho'omana means empowerment or to empower.

The teachings of Huna that are humbly shared by Matthew B. James are different than most seminars/trainings available (even other seminars/trainings in Huna). Pappa Bray (the son of Daddy Bray) gave Tad James permission to learn, practice, and teach the Huna of the Bray family. This lineage is now entrusted to Tad's son, Matthew B. James, and therefore, it is more than a training, it is an introduction to a way of empowering yourself shared through an honored lineage.

HUNA IS AN EXPERIENCE, DISTINCT FROM CLASSROOMS!

Learning Huna is more about experiencing the knowledge, rather than learning the techniques. While you do both at this training, it is important for you to realize that this is a very different training than any other you have attended. Plan on "living" this material, not just "learning" it.

VOLCANO TRIP Experience an incredible day trip to an active volcano, and feel a connection with the Goddess Pele.

CITY OF REFUGE Participate in an outing to the most spiritual of all Hawaiian places. Reaching this place was enough for total forgiveness in ancient Hawaii.

FEEL THE MANA "Mana" or life force energy is one of the guiding principles of Huna. The mana in Hawaii is very strong, so it is easy to experience its effects.

EXPERIENCE HUNA KNOWLEDGE AND LINEAGE

A PRIVATE LUAU Enjoy memorable chanting performances, hula instruction, and sunset ceremonies.

EMOTIONAL CLEARING Experience Time-tested emotional clearing techniques from Matthew B. James Time Empowerment® Model.

HA BREATHING Increase your mana and control your energy levels through breathing methods.
